

## Scandia-Marine Lions Club Request for Contribution

---

Dear Contribution Requestor,

Please complete the upper portion of the Contribution Request Form and return it to the Contribution Request Committee (CRC) Chair or to a member of the Scandia-Marine Lions Club who can present the request on your behalf. For a downloadable copy of the request form, please visit:

<http://www.scandiamarinelions.org/community-giving/>

The request will be considered at the next CRC meeting (consult the Scandia-Marine Lions Club website for dates). If it meets CRC criteria, it will be passed to the Scandia-Marine Lions Club Board. If approved by the Board, it will move on to our Membership for final approval. Listed below is our Mission Statement and the ways in which Lions serve.

### **Mission Statement**

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace, and promote international understanding through Lions Clubs.

To support families, individuals, and community organizations in the City of Scandia, City of Marine on St. Croix, and the Town of May.

### **How We Serve**

#### **Sight Programs**

We want everyone to see a better tomorrow. That's why we support sight programs and services including vision screenings, eye banks and eyeglass recycling; provide eye care services to those at risk of losing their sight and raise donations through campaigns like SightFirst and Campaign SightFirst II.

#### **Health Programs**

We believe everyone deserves a healthy life. From providing health programs that focus on hearing loss to supporting efforts to control and prevent diabetes, Lions volunteers are working to improve the health of children and adults around the world.

#### **Youth Volunteer Opportunities**

We empower the next generation. Whether it's providing youth volunteer opportunities and leadership experiences in a Leo club or sharing a message of peace through our Peace Poster contest, our youth programs invest in the future by reaching out to young people.

#### **Community and Environment Programs**

We serve local communities – and protect the planet. From performing hands-on community work and service projects to providing emergency assistance, our community and environment programs improve our communities – and protect the environment.

#### **Disaster Relief**

We are among the first to respond when disaster strikes. Our Disaster Preparedness and Relief Programs enable Lions to help local communities – and contribute to Lions relief efforts in other countries – in the event of a natural, man-made, or healthcare emergency.

**Please note: The CRC meets the first Thursday of each month. To be considered at the next CRC meeting, requests must be received five days prior to the Thursday meeting. Requests received after that date will be considered at the next scheduled meeting. Requests can take over four to six weeks to process.**
